

ABOVE & BEYOND

[EN] BASIC RULES TO FOLLOW DURING THE DEVELOPMENT OF THE LAND ROVER PARTY

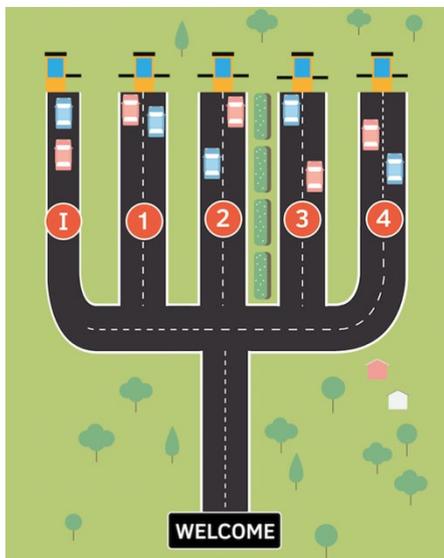

1.- Be responsible and stay home if you are not feeling well or have been in contact with someone who has COVID or is suspected of having it. The registration fee will be refunded (without commission fees) to all those who can prove that they are ill on the weekend of the event. **In case of cancellation of the event due to the restrictions of the Covid-19, 100% of the registration fee will be returned to all participants.**

2.- Likewise, Land Rover's driver will have to sign a Responsible Statement - both personally and those of their companions - as they do not show symptoms of having COVID-19 at the time of attending the Land Rover Party.

The declaration also includes the assumption of having passed the disease, in which it would be declared that the appropriate quarantine period has been exceeded. The responsible declaration serves to prove that you have not been in contact with infected people or have traveled to officially declared risk areas in the 14 days immediately prior to attending the Land Rover Party event.

This Responsible Declaration will be signed when arriving at the Les Comes farm.

3.- **Entrance accesses to the Les Comes estate will be made in a TOLL format** to avoid the formation of crowds, that is, the driver and his companions will be accredited and registered at the event without having to get out of their vehicle.

How does the system work?

All vehicles will enter through the same place and will be sent to the corresponding lane according to their bib number.

As an example; Lane No. 1 for numbers 1 to 150. Lane No. 2 for numbers 151 to 300. Lane No. 3 for numbers 301 to 500. Lane No. 4 in-situ registrations.

If you bring EXTRA vehicles (example: caravans) it is best that you arrive together at Les Comes and pass one after the other at the tolls.

4.- You will have to park your vehicles both in the authorized car parks and in the different camping areas at a **minimum distance of 2 meters between the plot and / or vehicles.** It must be considered that the Land Rover Party activity is held at all times in an open space (farm of more than 500 hectares) and that its participants move around and carry out the main activity inside your vehicle.

In accordance with the regulations, family nuclei and coexistence units can go together in your vehicle, taking into account the physical limit of 5 people in all participating vehicles.

5.- Both the driver and his companions, when they are not in their own vehicle or are not eating or drinking, **will have to wear a mask.**

6.- **Common spaces such as Bar / Restaurant, Showers and Restrooms, Shopping Area and other Activities will have one-way circuits of entry and exit to access said services.** The materials and facilities of the venue will be disinfected before, during and after the activities and the celebration of the event.

Also, specifically;

- Respect for the Bar, there will be fewer tables and chairs to guarantee a distance of 2m between tables. The Catering service to Snacks and Beverages is also reduced to reduce food processing, reduce food service time and consequently reduce queues.
- Respect for showers and sinks, the Organizer will designate a person in charge of cleaning the toilets every 10 uses.
- I respect the TOUR4x4, the seats will be cleaned after each use and the number of people who can get on the truck will be reduced.
- I respect the Adventure Circuit, people who want to participate will have to wear disposable gloves to carry it out.

7.- For health safety reasons, the 2020 Land Rover Party **won't celebrate the classic community dinner or the concert on Saturday night.**

Other elements that until now were delivered physically to Les Comes participants, such as the Event Program, will be digitized and will be delivered to each of the participants virtually.

8.- **The Payment System will be with the Les Comes Card.**

When you arrive at Les Comes, you will have to go to the CHANGE tent to load the amount you want with your particular Les Comes Card, with which you can consume in the FoodTrucks and the Bar.

9.- The measures provided for in this plan will be applied for the duration of the state of health pandemic. The protocol contained in this document, depending on how the health crisis evolves, may be modified or suppressed. The Organization of the event may make any change in the Program of Activities and the Schedules initially published to minimize the number of people in them.
